

Kindly Reminder for Activating Google Play

Dear users,

You could simply activate Google Play by following our instructions to activate Google Play in a few steps.

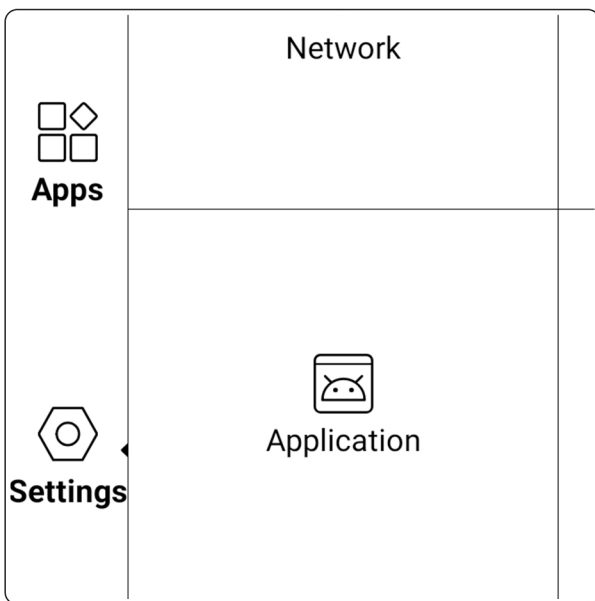

Instructions:

Step1:Go to Settings --- Application

Step2:Enable Google Play --- Click on "GSF ID" to activate the Google account. After 6 to 24 hours, you can try to reboot your device and sign in the Google Play account.

Notice:

Retry later if it's failed.

Step1

Step2
